“ *I would like to send my condolences to the family. When someone we love dies its very painful. But the Bible talks about God doing away with pain at Rev 21:4. May the God of comfort provide solace to your family at this time.*

“ I didn't have the privilege of meeting Latrice, but from reading the obituary it is more than evident that she will be sorely missed. I'm sure there is copious memories that are available to help with alleviating the hurt that is in the family's heart. I wanted to share a scripture that has helped myself and many others in a time a lost. It's Job 14:13-15, which says, “O that in She'ol you would conceal me, That you would keep me secret until your anger turns back, That you would set a time limit for me and remember me! 14 If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. 15 You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” With that is the last part, For the work of your hands you will have a yearning, Jehovah God and Jesus Christ have a yearning resurrect our dead loved ones, and to do it at a time where there is no more suffering and when death can take them again. So it will be a time we all seek, so you guys can see and enjoy Latrice once more, not temporary but for ETERNITY!

May you find solace in John5:28-29 and Revelation21:4 that talks about a time when there will be no more sickness or death and when our loves ones will be restored to life on a paradise earth.
