“ Oh Mama... what will I do without you?! You gave me and Pooh life and was a beacon of light in many of our dark days. You were my confidante, my sounding board, my place of peace in human form. Since you left us, I have felt an overwhelming sense of sadness and emptiness. I am praying that the sadness passes. I wish I could've done more to save you. I will hold you in my mind and my heart. You left a legacy in Pooh, Endya, and myself and for that the world will still be a better place until we meet you at those gates. I look forward to reuniting with you and all of my family. Until we meet again. I love you for free, darlin, no charge ❤️👍👍

I send my condolences to the family of Laverne Williams. So sorry she had to leave us. God knows what was best. Tee had a heart of compassion and love. She has been my friend over 30 years. She was so happy about her retirement and being free to do whatever she wanted to do on her timing. I'm so glad we kept in touch. I'm gonna miss my friend and will always keep a space in my heart for her. ❤️
