“ *Dear family and friends of Lena, I am very sorry to hear about the lost of your loved one. Death is never and easy thing to go through. John 5:28,29 tell of a time when we will see our dead loved ones come out of the memorial tombs. I hope you are comforted by those words.##imported-begin##A.J##imported-end##*

“ My deepest sympathy is with you during this time of great lost. It is always very hard to cope with the lost of a loved one. It is so important for us all to know we have a comfort, a comfort of a loving God who cares so very much about us. This is why he lets us know according to his word the bible that death will no longer have a place among the living. Jehovah will turn all the negative effects of death away from us all. Jehovah says according to Isaiah 45:18 he created the earth to be inhabited. Psalms 115:16 says he gives the earth to man. Why would God do such a thing because Jehovah is a God of love 1John 4:8 and being a loving God who loved us first he makes these provisions for those loving him that the righteous will reside upon the earth forever stated at Psalms 37:29. So, being God's purpose for us is to live forever than there is truly no place for death to reside among the living. That is why at Rev. 21: 3, 4 states death will be no more... and the things that causes death will be no more. Jehovah will also correct the damage of death by resurrecting all those who have died according to John 5:28, 29. What a joyous occasion when we will be able to enjoy the lives of those we love once again. This is Jehovah's promised hope from the beginning of mans creations. The hope of everlasting life on earth. Titus 1:2 May this bring comfort to your wounded heart.##imported-begin##Carter##imported-end##
