“ *I write you with heartfelt condolences at this sad time. The death of a loved one is the most difficult thing we deal with. God's word the Bible promises us at (John 5:28-29) says "Do not be amazed at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Jesus Christ promised that millions now dead will live again on this earth and have the prospect of remaining on it forever peaceful paradisaic conditions. May Jehovah God of all comfort be with you and your family. (2 Corinthians 1:3-4).*

“ Poppa was a man who loved his family. He always treated his daughter-in-laws as his daughters. We were never in-laws. He loved telling jokes and stories to anybody who would listen. He was so proud of his grandchildren and loved when the great-grands started coming along. Even on the date of his death, his fourth great-grand was born. I will miss hearing him singing and humming. We are so grateful that he is no longer suffering. I love you "Poppa."

My grandfather was very dear to me. I feel so honored to have had a chance to live with him for several months, hearing his stories and funny jokes, and even words of wisdom. I loved hearing him hum or sing songs and hymns throughout the day (and night). I was sadden to see him suffer with pain and complications due to diabetes and to watch his world go dark and silent as blindness and deafness took over. But the Lord gave him a song, even until his last days, and I know that he is now in the presence of the Lord. He can walk, see, hear and rejoice in the Lord...forever. To God Be The Glory.

I am especially glad to know that this great man of God has finally been relieved of his pain and suffering. But through all of his pain he all ways had a smile, a good word, and like many have said, a song of the Lord on his heart. I grew up with this man as my uncle, yet to me he was like the father I never knew. My fondest memory of him was the last chances that I had to spend with him. I would go over to my Aunt's house and sit with him while my aunt worked. He and I would enjoy the court shows together. Especially Judge Judy, and even when I was not there I would call him and ask him if he was listening and he would tell me, yea baby I'm listening are you? We would sit and talk for hours about the shows, about when I was a little girl and the mischief I would get into, and of course about the Lord. He always had a word for me from the Lord. It was through his encouragement and my sister Patricia, who is no longer with us, that I was able to quit smoking after over 25 years. Pop, I am going to miss you, but I am so happy that you are not hurting anymore. I love you always. You enjoyed life here with Maggie, now enjoy life with Jesus. Amen.

I want to extend my thoughts, prayers and love to the Richardson Family. It is impossible to think back on my days as a member of First United and not think of Brother Richardson. There were some people who you just absolutely enjoyed seeing and fellowshiping with and Brother Richardson was one of those people.

*I will always remember Uncle Ricky as being a well spoken man who worked hard to raise his family. I stayed with the Richardsons for weeks at a time. I remember him encouraging his sons, not only in their singing group, but in everything they did. He, along with Aunt Muriel, raised five God filled men who I admire and the world admires. After the material possessions have outlived their usefulness, the true legacy of parents are the children they gave the world. "Do they know Jesus", to share "The Word" and to carry them through life's trials and tribulation. What a legacy! Well, Uncle Ricky is now in the presence of the Lord to receive His promise and I am supremely confident that God will say, " Well done , My good and faithful servant!" Matthew 25:21
RIP Uncle Ricky,! RIP!*
