“ Daddy this is the only way I have to talk to you. I am stuck here on this earth without you. I know I sound just like a big baby but life without you is just so hard. You left me here with what know body would call a family. You know I only had you and my family who really loved me. But know it is so hard to move on without you. Every day I just cry thinking about you I just don't know what to do. You were my mentor and now what am I going to do. Oh Daddy I miss you so very much. Please help me and tell me what it is I am supposed to do. Now that you are gone so far away from me. I'm lonely and misserable and you knew exactly what your death would do to me. So Daddy please help me and tell me what to do. I know you hear me because I can hear you. I will always Love You and miss you Dearly. Tell Mommy I Love Her and I miss her to.##imported-begin##rjonda johnson##imported-end##
