

Leroy A. Hodge

December 6, 1953 - January 9, 2006

LEROY ALEXANDER HODGE, son of Donald Hodge and Malinda Church Hodge Anderson, was born on December 6, 1953 in Baltimore, Maryland. He departed this life suddenly on July 9, 2006. "Peanut," as everyone knew him best, was educated in the Baltimore City Public Schools. He attended Lemmel High School and later attained a certificate in Computer Science. Peanut worked at the Social Security Administration as a computer specialist until illness prevented him from working any longer. He loved working there and always talked about going back to work for Social Security. Peanut was a very warm, loving and super intelligent person. He especially loved children and animals. All of the children in his family loved him. They would always say they wanted to "go up stairs with Uncle Peanut." He always had a treat and some knowledge to give them. Unfortunately, Peanut did not have any children of his own. He was known to take his food and feed it to a stray dog or cat. He had a passion for music - he loved oldies but goodies. One of his favorite groups was Earth, Wind and Fire. He enjoyed debating about music and various artists with his Uncle Larry. Peanut always made special tapes for various members of his family and friends. They will be treasured. Peanut was a true friend to many and would give you his last dime if you needed it. Peanut will be missed by all who knew and loved him. Unlike a lot of us, Peanut had a definite idea of what he wanted to do. Being free to do as he chose was of utmost importance to him. For the last few months of his life he lived as he wanted - not as others wanted him to. Peanut was preceded in death by his

parents, Donald Hodge and Malinda Church Hodge Anderson. He leaves to mourn: his only sibling, a brother, Franklin Church; sister-in-law, Nami Church; aunts including Nicole Reed and Vergie Jennings; uncles including Leroy Church Jr., Thomas Church, Clifton Church and David Reed; and a host of other relatives and friends.

“ *My sincere condolences to the family and friends of Mr. Hodge. Death is a enemy that we all hate to face. Therefore, please be comforted by the fact that Almighty God promises to eradicate death forever. At Isaiah 25:8 Almighty God said, "He will swallow up death forever...for Jehovah himself has spoken it." Yes, Almighty God made it possible not only to eradicate death but to resurrect our love ones under peaceful conditions. (Acts 24:15) Please be comforted by these encouraging words.##imported-begin##V Adams##imported-end##*

(2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. “ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##
