“ *Please accept my heartfelt condolences on the death of your loved one. Since the beginning of mankind's creation, people have wondered will I ever see my loved again? When we die, is that the end? A man named Job in the bible also wanted to know the answer to those questions. Notice what the bible says about this. At Job:14,14,15 Job asked? "If an able-bodied man die, can he live again? Notice the answer. "All the days of my compulsory service I shall wait; Until my relief comes. "You will call, and I myself shall answer you. "For the work of your hands you will have a yearning." So Jehovah has a deep yearning to see his earthly children live again, not in this violent world, but in a world free of pain and sorrow. 2nd Peter 3:13 says, "But there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell." May you find comfort in Jehovah's word, because he a fulfiller of promises.##imported-begin##R Johnson##imported-end##*

“ To the family, I start by saying to God be the glory for the things he has done... I remember when I met Mr. Davis at the nursing home where I work he had a very pleasant smile, and he loved to tell jokes, he often told me he had a glass eye. I always wondered what he ment by that, so I started using my cereative imagination and I can hear him saying through this eye I see Jesus and he is saying You have faught a good fight you have finished your race,then I see the hand of the Lord telling him to come on up to glory where he will be given two new eyes two new feet,two new hands and all he has to do is walk around Heaven All Day. May the Saving grace of Jesus keep you Reverend Brandi N.Foyles from the Activity dept at the nursing home###imported-begin###Reverend Brandi N.Foyles###imported-end###

“ Dear Family,Please accept my condolences for your loss. First Corinthians 15:26 tells us that death is our enemy and death itself will be done away with. There is hope of God restoring our loved ones to us with no more death, sickness, sorrow or pain. This is possible because Acts 24:15 says- "there is going to be a resurrection". May you receive much comfort and strength from this in the days ahead.###imported-begin###Sharon Hill###imported-end###
