“ *The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*

“ Resolutions to the family of the late Leroy Venson: I'm hoping you find comfort in God; We cannot go beyond God's reach or beyond His love and care, For we are all a part of God and God is everywhere. I know it must be difficult to lose someone you love, Despite your faith and knowledge that they're safe with God above... And though it may take time to heal the pain your're going through, I hope it comforts you to know God's also here with you.##imported-begin##Margaret Holmes and Lucille Mumford##imported-end##
