“ I am so sorry to hear about the passing of your most precious loved one Leroy Williams. I know that this is a difficult time for you but I pray that with the passing of time your pain may in some way lessen. How good to know that our loved ones who die are only sleeping and that one day our loving heavenly father has promised to bring them back to life by means of the resurrection. John5:28-29 What a wonderful time that will be! Until then please know that you are in my thoughts and my prayers. Once again I am sorry for your loss.

“ My Deepest Sympathy to the rest of the family. My Uncle Leroy was one of my favorite people. I remember when I was a little girl me and my Uncle use to sing old songs R & B and Gospel. His favorite artist was Al Green. Boy we lit the place up when we sung. I would call and check on him and talk to him even before he became l'll. Remember when I would tell certain ones in family that I talked to Uncle Leroy for a long time today and they would say I can't believe that every time I call him he curse me out and I would just laughter at them. Didn't want to tell them but I think I was his favorite too. Love u dearly and will miss you unk.
