“ Mr PeeWee was the most loving and caring person you could ever know. If you ever came in his presence he made you feel love. Letting you know I don't have much but it's yours if you needed it. He love my mother in law Yvonne deeply. He embraced her children with love and care as if they were his own. This one is a hard one to swallow. But you will be missed greatly. Sending prayers and lots of love to all who loved and cared about you.
