“ *We were very sad to learn of Leslie's passing. We both knew him in the Rotunda over many years. He was such a hard worker, and the building and grounds would never have looked as nice as they always did if he had not been there. We always appreciated what Leslie did. We will miss him and our daily exchange of greetings. Our condolences to his family.*

“ *I just found out about Leslie's passing and am heart broken. To his family and friends, I worked with Leslie for a number of years at the Rotunda. He was the best and you all have truly lost a wonderful father, grandfather, great grandfather, uncle and mostly a friend. I saw Leslie for the last time just before we moved in November and he was working away like nothing was wrong. He was a good man and will be missed.*

Your friend always
