“ *Tish was such a beautiful and caring person. I remember when I met her in the salon and we would talk all the time about our families. Over the years we did lose contact but I can say when we did run into each the first thing you would be greeted with was that beautiful smile and warm personality.*

God has us all here on this earth for a purpose and an assignment and Tish served her purpose to touch the lives of many individuals. May God continue to give the family peace and strength in the days ahead.

“ Please accept my condolences for the loss of your dear loved one. The Bible gives us a preview of what mankind's Creator Jehovah God will empower his Son Jesus Christ to do soon.

At Acts 9:36-42 we read about a very loving and generous woman who fell sick and died. Many mourned her death. The apostle Peter came and resurrected her back to life! She was able to reunite with those who were just mourning for her.

Acts 24:15 reassures us: "There is going to be a resurrection."

May you receive much comfort and strength from this wonderful hope.

“ I met Tish thru my husband at Bizport. I didn't know her personally, but my husband always spoke so highly of her that I felt that I knew her. He always said what a joy she was and was one of the sweetest people. My heart is heavy for you, but rest assured that she is in the best of care. She has earned her wings and has met the Savior face to face. How awesome is that! I will keep the family in my prayers and hold onto the memories. As long as you have those memories, she will be there in spirit! May God comfort you and give you the much needed strength during this time.

“ Tish,
You were more than a friend...you were a mentor, confidante, and even mom to me when needed. So many times you were the calm in my storm and even weathered some of them with me. You are the epitomy of a true friend and I know you will always be here in spirit. I had never before met a person so loving & giving and I appreciate the 5 years I was allowed with you here. You were such an exceptional wife, mom, grandmother, daughter, and sister...you will truly be missed but I know that infectious smile of yours is lighting up heaven. Love you lady!

“ To My Best Friend

You may be gone from this earth, but you will always have a special place in my heart. From the first day I met you, I knew we were going to be life time friends. You were one of a kind. Nobody could take the place of "Tish". Your smile could light up a room. No matter what you were going through, you kept a smile on your face. I am so proud of the accomplishments you made in your life. You never gave up!! I thank God for allowing us to share over 30 years together. Such a strong, dedicated, loving, kind and determined woman. Sometimes persuasive, but all for the good. We had some great times together and I will cherish those memories. I'm going to miss you. Your journey here on earth is completed and I know God said "Job Well Done".

“ I can't express how much you are going to be missed. I still come in at 6:00 looking to see if I see your car, just wishing this was a dream and that I would go to the cubical and you are there. I already miss us talking in the morning. This feel so unreal. I know you are in a better place and someday we will meet again. I love you Tish.

“ Words just cannot express the emptiness I've been feeling. I, thank God, the time that he allowed Letitia "Tish" in my life. Our friendship began with Bostwick Laboratories and she was always so sweet, kind, and carried a beautiful smile. She often would check in on me via my daughter and when I was sick recently, she sent messages me to ensure I was doing fine.

I will hold forever hold her memory tight within my heart and it will always remain near and dear to me. As I know there will be a joyous day that I shall see her again on the other side. My love and prayers are extended to her family at this time as I know you miss. Tish was a blessing and she left us with a sweet memories and value of being positive and living each day one by one.

“ Mommy I love you so much. You were the back bone of the family we love you and miss you so much. It's so hard to understand why you left us but u know I will see you again. You treated me so well and so good I can never replace you with anybody on this earth. Only God knows why all this stuff is happening. You were such an angel. All you wanted to do is help your family and help everyone around you. I never though I would have to see you go so young and so soon but I pray everyday and I love you.
