

Letron Anthony Franklin Sr.

May 23, 1993 - February 25, 2020

His Legacy Will Forever live in Our Hearts....

Letron Anthnoy Franklin Sr. was born to Kyra Franklin and Anthony Franklin Sr. on Sunday, May 23, 1993 in Wichita, Ks. The family moved to Richmond, VA in October 1998 where Letron attended public schools. He graduated from Meadowbrook High School in 2011.

Letron accepted the Lord as his personal savior at an early age and was baptized. He was a man of his word who held his head high with integrity and eternal faith. A God fearing man whom enjoyed worship and knew the power of prayer. He found faith and forgiveness along his path and encouraged those surrounding him to stay focused and to keep pushing no matter the circumstances.

Letron was dedicated to his wife, children and career. He worked full-time for Colony Management as a Maintenance Technician for nearly five years. When he wasn't working, he was focused on being an excellent father. His children were the light of his eyes.

Loyalty, loving, compassion and dedication were traits he spent time daily showing towards those who were by his side through his life's journey. He was a devoted husband, son, father, brother and friend and greatly loved by many.

Letron wore his heart on his sleeve but was a strong black man that was a true protector. He enjoyed music, helping others and having a listening ear for those who needed it. Letron was a man known for giving great advice. A humble man whom didn't ask for much but always gave to the world.

Letron was preceded in death by his grandfather, Freddie Franklin Jr. and his father-in-law, Mark James. He leaves to cherish his memory wife, MonYvette Franklin; sons, Letron Franklin Jr. and Kale Coles; father, Anthony Franklin Sr.; mother, Kyra Franklin; mother-in-law, Tracy Haskins; sisters, Ciera Richard, Tanai Brumblelow (Tommy), Antoinette Franklin and Nya Franklin; brothers, Anthony Franklin Jr. and Moses Franklin; grandparents, Sherline Franklin, Soretta Boone (James), and Sylvester Johnson; nieces, aunts, uncles, cousins, loved ones and friends.

“ *My heart is hurting to hear of this tragedy of Letron. Him and his family had my heart when he went through an earlier health issue in his life. Great guy! Always had a nice word or two whenever he saw me. He maintained my apartment community at Forest Ridge once he got back on his feet. Prayer, hugs and love to his family and friends that are hurting right now.*

“ *Letron, You were one of the most caring and loving individuals I have ever come across, We met way back in middle school at falling creek. I will always remember the positivity and smile you came in with each day. You never complained no matter how life was going at the moment, I will carry that with me forever and think of you. Your family, friends and loved ones will deeply miss you. I know you are at peace and with our heavenly father. Rest in Paradise with the king, may we meet again.*

“ Words cannot describe how much I am going to miss Letron.. He was a valued member of my maintenance staff and a huge part of the Colony/Cloisters family. I am at a loss for words.. he was a good friend, dedicated father and husband. All he talked about was his family, dreams and personal goals he was setting for their future. I miss my friend/co-worker everyday. When times got tough and I needed a listening ear he was there and vice versa. He was like a little brother to me considering I am "17 years wiser"...lol.. I went outside and realized.... Who am I gonna get a Newport from now? but seriously, I send my deepest of condolences to his wife, children and the rest of the entire family. I was blessed to have shared the time I did with the extraordinary person. Rest easy my friend

“ Letron was my Petey, my Tron, my Baby Boy. My little brother/cousin. The family chain is broken. So are our hearts. I love you Cousin. At this time I'm thankful that God's word is buried deep in my heart because I'm so confused. I have so many unanswered questions. I'm angry. I'm sad. At times, I'm unaccepting that he's really gone. This is all so unreal to me. I'm trusting that God needed Him there more than we needed him here. I trust that all things are working for our good, and God indeed has a plan. I don't understand it, and I have no clue where God takes us from here. I just know this hurts but God will see us through.
