“ *Hello ! Cousin's ! I would like to extend fellow feeling in you recent circle of life being broken after 83 years.Living for a long tine is wonderful as the bible say at Ps.90:10, " Some person will live to be 70 years and others 80 years because of speical mightiness". It will be great when death is gone forever, Isa.25:8.We will feel like Isa.14:7 say, please read. The resurrection is coming and happiness will be all around. I hope these few thoughts will be helpful on the journey of life ahead.##imported-begin##lillian Crosby##imported-end##*
