“ I just wanted to say there was actually a fifth grandchild that Lillian never had a chance to meet which apparently Ian doesn't want to acknowledge. She gained another granddaughter in late July but unfortunately her father was incarcerated and unable to be there. It's unfortunate for both Lillian and my daughter that they never had a chance to know each other, I really wanted my daughter to know where she came from. Hopefully she at least was aware that there was another grandchild on the way before falling ill. I sent several copies of pictures and sonograms that were supposed to be for her but I'm assuming by the fact she wasn't even acknowledged here that Lillian never received them. Sorry for those mourning her loss. And E I told you this was public record, I'll be sure to print and save a copy of this for Bridgette to see how much her "daddy" really loves her.
