“ *We trust that beyond absence there is a presence.  
That beyond the pain there can be healing.  
That beyond the brokenness there can be wholeness.  
That beyond the anger there may be peace.  
That beyond the hurting there may be forgiveness.  
That beyond the silence there may be the word.  
That beyond the word there may be understanding.  
That through understanding there is love.*
