“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

*I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.*

“ Linda was such a beautiful person. I met her at Comcast over 10 years ago. She always kept a smile on her face. She was always willing to help someone. She has been missed dearly since the moment I've become aware she was called home. May her spirit forever remain in our hearts!

“ I am still in shock. The saying" Only the good die young" truly applies here. This woman with the infectious smile and genuine heart will be greatly missed. Her work here on Earth must be finished. Thank you, Amaker family for sharing such a beautiful person with us. RIP

*Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. - John 1:1-3*

*To the Family may you find comfort in the Word of our Father.*

*Linda - known to me as my "Water Cooler Encouragement and Strength". We always seemed to meet at the water cooler in the Comcast breakroom. With a smile she would always say "Good Morning Beautiful- How are you?" and I would always respond "I won't complain." then I would ask her and how are you beautiful? and she would always SMILE even harder and say "I won't complain either."*

*There was always very few words but GENUINE CARE was always expressed...I would then say " CONTINUE TO NOT LOOK LIKE WHAT YOU GO THRU" and she would turn around with the SUNSHINE SMILE ...and say THANK YOU - AND YOU CONTINUE TO NOT LOOK LIKE WHAT YOU GO THRU TOO BEAUTIFUL! - few words that made a BIG IMPACT!*

*"Blessed are those who mourn, for they shall be comforted." -Matthew 5:4*

“ I had the pleasure of meeting Linda 15 years ago here at Comcast and am proud to call her my friend. She was truly the nicest person I have ever met...Always a beautiful genuine smile each day, no matter what the circumstances were during that day.

*Everytime my husband, Joe Russo, and I would see her during the work week, she would ask how our boys were because she really wanted to know. She has seen them grow from birth and enjoyed hearing the latest and greatest on them. :)*

*Her death has been such a shock to our hearts but we do find comfort that she had her homecoming swiftly instead of more suffering. God took his angel on earth back to watch over us until the day we will reunite with her and our loved ones that have passed on before us..*

*I just want Linda's family to know how much she was loved here at Comcast by our employees AND our customers...all have been devastated by her loss. We were certainly blessed to have had her in our lives and will NEVER forget her.*

*Love, Deb and Joe Russo*

“ It's just so hard to believe Linda is gone. I just saw her in December and before that in August when I went to Comcast as I was having trouble with my modem. It will be so hard to go there and not see her. My condolences to her family. We use to be coworkers and she was so very nice to work with and a great customer service person. The kind you want to deal with because she gets the job done and is so very pleasant. I will miss her.

“ To the family and close friends of Linda Regina Amaker- Walker, I want to thank you for sharing this wonderful person with the rest of us. Linda was one of the most positive woman I knew. I will never forget that sparkle in her eye, that smile always on her face, even when it was forced, and that sweet encouraging heart. There will never be anyone to replace her, but I hope and pray that her memory and all her love provides you comfort during your trying times that are ahead of you. God blessed us all with her presence for a little while and her time on earth is complete but her legacy will continue on. As for me I will always think of her when I hear someone say, " you are the best!" Linda, you really are the best and we will miss you the most!

“ One can only pray and live by Linda's example of genuine kindness and compassion for anyone she met, whether in passing with her shining smile and twinkle in her eyes or knowing you and asking about you and your family. She was loved by many and is missed by many... We are all forever blessed that she was a part of our lives in one way or another! To Linda's family and closest friends my prayers and deepest condolences are with you. We will carry on, but we will never forget that beautiful heart of yours that came through in your smiles.

Linda got me through some very difficult times. Each time it was with a dazzling smile & a gentle hug. She always would share that tomorrow is another day and it'll be better. She shared a love of God & life with me. I miss her terribly. I want to walk over and see her look up and smile and say, "Hey Mel!" I'll hear her words through memories and in my heart.

Linda~Thank you for being the loving, true friend that you were to me, and to everyone you knew.

Praying for God's tender arms to softly hold your family & friends till the tears are dry.

With love,  
your buddy Mel (co worker)

*Linda, my heart breaks for your family & all of us who are left without your presence. Our Savior knows best, however your kind, open & welcoming personality will be missed by me & all who had the privilege of knowing you. Rest now in God's loving arms. He's got you for your eternal journey. My prayers to the family for your loss.*
