“ My condolences to your family for the loss of Mrs. Jihad. I'm sure she will be missed greatly, and although your hearts are heavy, please remember that we have a loving father in heaven who carries our pain in his heart. One day he promises that sickness and death will be a thing of the past. Jehovah promises at Isaiah 65:17, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." One day out dead ones will live again, because God promises to ressurect them for eternal life in a pradise earth. 2nd peter 3:9. For Psalm 37:29 promises, "The righteous themselves will possess the earth, and they will reside forever upon it." If you would like to know more concerning God's promises please feel free to contact me. May your cherished memories of your loved one bring you much comfort in the days ahead.###imported-begin###R Johnson###imported-end###
