To the family, friends and co-workers;

As a co-worker and friend Linda and I have shared many wonderful times and conversations together over the many years that we were associated at the Veterans Administration Medical Center both at Loch Raven and Green Street. Linda was always a wonderful inspirational spirited person that always could say something that would make me and others laugh out loud about family, life and our work together. It is a very deep void in my life for her to not be among us anymore to cheer and inspire us all.

God loved her and knew of her suffering health issues and decided to receive her home so for that I must find peace in knowing that she is resting with him.

I will rejoice in knowing of the joy that she brought to my life.
