“ *To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I wish to extend my condolences to your family at this time of grief. Death is such a great loss to the family. At such times the bible can be a huge source of comfort. Jesus, given the power over death by his father, will bring about a resurrection of the dead. This was one of the reasons why he gave his life as a ransom for us. He says at John 10:10, "I have come so that they might have life and have it in abundance." According to God's word, one day we will be reunited with our loved ones. May these thoughts comfort you.##imported-begin##R Johnaon##imported-end##
