“ Linda Garland was my best friend since we grew up in the West End. I have so many wonderful memories of Linda especially during Christmas; why are we walking back and forth from each other’s house in the dark. Oh, we had so much fun. Love you Linda, Rest In Peace my dear friend. Darlene ❤️

“ Linda was a longtime, way back friend. From childhood friends to church friends, to Central Garden neighborhood friends, to adulthood friends. Though she may have been missing from us at times, I would ask someone in her family about her, just to keep mentally in touch. But whenever I would see her, it was like a lost friend had returned. I was glad because she was a part of the memories that took us from the kids we were to the people we are now. I’ll remember Linda as a friend and always in a positive light...

“ I met Dianne when I was 16 years old after her younger brother, Jimmie and I started dating. She always would allow Jimmie to use her car to come to see me, until he bought his own. She was a very nice person and sister in law. Jimmie and Dianne held a special sibling bond.
She will forever be in all of our hearts.

“ I am so sorry to hear of the passing of a beautiful soul--that of Ms. Linda Garland. I worked in the same organization at E. I. dupont for many years. We became very close through the years I was an operator in Nomex Paper. Some of us in Nomex Paper were tight knit. I have not seen Ms. Linda in many years, but I often thought about and it was hoped that all was well with her. Linda had a very sweet personality, and it was easy to get to know her. The world will be less better without her presence in it. Horace Dabney
