“ *Dear Hopkins Family,
I think of Linda often, fondly, and with sadness that I can no longer have a long lunch and talk with her. We worked together, and she became my supervisor for a time at Goochland-Powhatan CSB. Her calm demeanor, professionalism, commitment to her family, and her friendship were wonderful to experience and greatly missed.*

“ *To the family of Linda Hopkins, most importantly Sonya and Tamara. I have not seen Linda for awhile but I wanted to let you know how much she meant to me as a friend and co- worker in the church Sunday School at Lakeside Methodist. I could always count on her to have a big smile and a little giggle when we were solving the latest problem. I know how much she meant to all of you and do hope that you will come through the period of feeling lost and continue to remember the many wonderful, loving memories I know you have.*
