“ *I woke up with you on my mind this morning. I pray that you are resting peacefully. You are in the arms of the most high and he will never let you down. Life is not the same without you. The holidays are so boring without you. You are forever etched in my heart and I miss you as much today as I did when I first received the news that you were gone. Love always and forever. Geri*

“ *It has been almost two years that you have been gone. I think about you a lot and today I missed like crazy. I got up this morning and it was ice outside and the ground was slippery and the car was a mess. I turned around and went inside and cried because I never had to handle any of these things when you were here. You spoiled me. You took care of all the hard jobs and left the little things to me. I was not happy about all the things that happened after you left because even though others thought they were doing what was best, it is not what you would have done. I miss you, you were my dance partner, fishing partner, road dog and most of all my best friend. RIP honey, until we meet again.*

“ Ray, Ray, O how much this hurts. I can't express how much you are missed. Our circle is broken and so is our hearts. I thank everyone who tribute to this page. It mean so much to us that you all did this for him. Not a day goes by that you and mom is on my mine. People say nice words and bible sayings, but it only helps for a moment. I know you are in a better place and God has you, but I'm jealous and want you back. You told me you was coming to get my sticker and now my tears is all that's coming for you and mom. My both of you rest in peace and I can't wait to see the both of you one day. I can't take this. I

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ I'M FREE

*Don't grieve for me, I'm free, I'm following the path God laid for me;
I took His hand when I heard Him call, I turned my back and left it
all.*

*I could not stay another day, to laugh, to love, to work or play;
Things left undone must stay that way, I've found that peace at the
close of the day.*

*If my parting has left a void, then fill it with remembered joy;
A friendship shared, a laugh, a kiss, ah yes, these things I too will
miss.*

*Be not burdened with times of sorrow, I wish you the sunshine of
tomorrow;*

*My life's been full, I savored much, good friends, good times, a
loved one's touch.*

*Perhaps my time seemed all too brief, don't lengthen it now with
undue grief;*

*Lift up your heart and share with me, God wanted me now, He set
me free.*

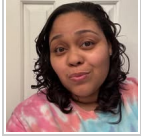

*Love
Geri*

Ray, I miss you so much it hurts like crazy. I don't know what to do, think, or say anymore. My life is turned upside down. I hear the stories of other family losing a brother, but could never understand this pain. Lord I need help in my time of sorrow. I know God will never leave me or put more on me, but at what point enough is enough. I can't type anymore. LOVE YOU BLACK.
