“ To Cora & Family, as the Pastor said, just trust God...put your hand in his hand and he will see you through...hold on to the precious memories you made...for me I know that when I went down to the field, there were certain faces I looked for, especially at the Domino table...Bump's was one of them...he would greet me with a friendly hello and smile...he was a generous man and he always shared...he will definitely be one of "The Field" soldiers that will be sorely missed...Rest Easy Bump #FULTON4LIFE
