“ *I send my deep condolences to the family of Lionel. Although I didn't know him, I pray that you all receive much comfort and strength from our loving heavenly father, and friends who care deeply about what you are going through. Keep enduring and relying on our God above who is always there for us. He gives us this assurance found at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people." Not only does he comfort us, but he gives us a sure hope of seeing our loved ones again. At John 5:28,29 he makes this wonderful promise: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his (Jesus's) voice and come out; those who did good things to a resurrection of life." Keep these words close to your hearts, because Jehovah never fails to fulfill his promises. Isaiah 55:11 Joshua 23:14###imported-begin###R Johnson###imported-end##*

“ May God comfort you all and even though many of you don't know me I grew up with Lionel, Rudy, and Ralph. I will always remember Aunt Winnie and going to New Haven. When Uncle Ronald and Aunt Vie came from Jamaica, I was up in New Rochelle visiting my Mom (Hilda Goulbourne) and they wanted to go see Aunt Winnie, so I said "Come on get in my car," and I drove them to New Haven. They were excited and pleased to get to visit her (I had driven up from Silver Spring, MD). I hope we will all see our family that has gone on before us, when we get to Heaven. God Bless.##imported-begin##Etoy Hylton##imported-end##
