August 15, 1959 - May 27, 2006

LISA M. STOKES, daughter of the late Francis M. Stokes Sr. and Mamie Stokes, was born August 15, 1959 in Baltimore, Md. She departed this life on May 27, 2006 after a lengthy illness. Lisa received her education in Baltimore City public schools. She graduated from Patterson High School in 1979. Lisa was blessed with one son Theodore Helm. Jr., known to many as Beaver. Lisa and Beaver shared a special relationship, because she accepted all of his friend and became like a second mother to those who needed the extra support, but that was just how Lisa was. That's how she became to be "Aunt Lisa" to many of them. Lisa made a lot of friends during her life because she accepted people for who they were and always looked for the good in everyone. Lisa worked various jobs during her life but she found her home and sweetheart at The Hedwin Corporation, where she worked for the past 18 years. Lisa took much pride in her work at Hedwin, and spoke proudly to CNN about how she and her co-workers saved their jobs by buying stock in the company to keep it from being relocated in another country. Lisa met Ronald Cason at the Hedwin Corporation in 1995 and they have been inseparable since. Lisa had four very special people in her life. Son-Beaver; mother, Mamie; granddaughter, Tierra and soul-mate and companion, Ronnie. Lisa had a passion for seeing the world, and traveled with her mother and Ronnie on vacation to places such as the Virgin Islands, Florida, The Grand Canyon, Las Vegas, Puerto Rico, St. Thomas and Atlantic City and on various cruises across the continent. Lisa leaves to mourn: mother-Mamie, granddaughter,

Tierra, four brothers, Herman, Chris, Francis Jr. and Robert; one sister, Maria; grandmother, Annie Daniels; one aunt, Naomi; one uncle, Charles; one sister-in-law, Christine; one brother-in-law, John; soul mate and companion, Ronnie. A host of nieces and nephews, and scores of extended family and friends.

“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*

“*Saddly sickness and death continues to stalk mankind like the enemy it is. Ond day though Almighty God promises to put a permanant end to all sorrow, sickness and death in the earth. One day Isaiah 33:24 says, "No resident will say, "I am sick." Also Isaiah 25:8 say that "He will swallow up death forever, and the Soverign Lord Jehovah will certainly wipe the tears from all faces." It"s very heartbreaking that we have to experience such pain when we lose a loved one, and it was never God"s purpose from the beginning. I"m so sorry that your family had to go through this, but please find comfort in his word the bible, because it contains the only solution for death, and through it"s pages we can find hope as an anchor for our souls.##imported-begin##R Johnaonr##imported-end##*
