“ To the Family and Friends of Lisa Marie Shelton: Please accept my condolences. Losing a loved one in death is a painful time. This is a pain that Jehovah God promises will one day no longer exist (Revelation 21:3,4). May you take comfort in knowing that our loving Heavenly Father promises us that soon all those in the memorial tombs will come out to life on a paradise earth by means of a resurrection (John 5:28,29 and Psalms 37:29). As you await the fulfillment of this promise, may you find comfort from "the Father of tender mercies and the God of all comfort who comforts us in all our tribulation" (2 Corinthians 1:3,4).##imported-begin##S. “ I would like to convey my condolences for the loss of your loved one. Sickness and death was never part of Jehovah God's original purpose and is especially difficult to cope with when it overtakes someone so young. John5:28-29 assures us that all those who have fallen asleep in death will have the opportunity to live again by means of a resurrection on a paradise earth (Psalm37:11,29). Continue to draw close to the God of all comfort (2Cor1:3-4) and he will sustain you during this difficult time (Psalm55:22).###imported-begin###C. Murphy###imported-end##

“ Words cannot express the heartbreak we feel at the loss of our dear friend and colleague. The years we shared with Lisa working side-by-side at Northrop Grumman, grew into a friendship that continued into her new career. We were so proud of Lisa's success with Sandi's Learning Center. Lisa's passion for her work and the inner-city children of Baltimore, goes beyond commendable. Our most sincere sympathy to her daughter, Mom and the entire family. Our prayers are with you all.###imported-begin###Tami Smith###imported-end##

Words can not express how much she will be missed and how much she meant to us all. My prayer is for God to encamp his angels around her family, and friends, especially her mother and daughter.
