“ Teir and family I just want to say that I was devastated when I found out that my girl passed away while I was away on my trip. Lisa and I have been friends forever, and I am going to miss talking to her every week. We shared alot of things. I don't have many friends but God blessed me with Lisa a kind hearted person, and sweet spirit. I don't know who I am going to talk to now. God will get you through this difficult time just ask him, and I will be praying for you also. We have to look at it this way my girl doesn't have to be in pain anymore. If you need me for anything just call me. I want us to be talking buddies like we used to be. I love you very much and your sister loved you to. I am here for you and your not alone . Love your crazy cousin, Dornette###imported-begin###Dornette Brown###imported-end##
