“ I remember the day you were born, you and Gary were 19 days apart. Loved you just like my daughter and Gary's sister. You could like up a room by just your presence. You will truly be missed by all, especially your Westport family.

“ Lisa,

I am so sad to see you go. You were a big part of my life and marriage. You were always there for me to talk too. You help me through some of the hardest times. I felt like I owed you but ill never get the chance to show you how much I appreciated you from the first moment we met. You are so beautiful and word cant explain how much this world will miss you. You were nice and kind but always real.

Don't Cry For Me Today

*Don't cry for me today,
I wouldn't want it this way.
Be strong and smile,
for you will see me in a while.
I know you miss me,
but now in Heaven I will be.
Do not keep your sad face,
I am in a much better place.
Do not let your tears fall,
for I cannot wipe them all.
Yes, my life wasn't long.
But I'm begging you to be strong.
Live every moment as if it were your last,
I won't forget any memories that have passed.
Cherish life and love as I watch you from above.
As I remember all of the good things,
I come to see I have gotten my wings.
It is time to go and fly,
as your guardian angel I will try.
Don't cry for me today,
I'm on my way.
Soaring through the sky,
I watch all of you telling me goodbye.*

Love you Lisa.

*Thank you

“ *My sincerest condolences to Lisa's family. It is such times like this that we should look to the God for comfort. Psalm 34:18 says God "is close to the brokenhearted; He saves those who are crushed in spirit." May your reflection on this promise and your many fond memories of her give you the strength you need to endure.*
