*I was really sad when I just found about the death of my friend, Lisa. We go way back, she and I met at Coppin State, now Coppin University. We were really close, I made sure she was always taken home on Moreland Ave., after every class. Seeing her at a Super Market on Hartford Rd and I spoke to Lisa, but she asked me, who was I and did I know her? I was really hurt, but I tried to locate her, but couldn't. Lisa rest in peace.*
