“ My dear sweet "Goldie" (Litta) I just can't wrap my head around the fact that I'll never hear you yell my name from your balcony each day or meet up with to giggle & talk out front when we've felt like being bothered with others...

You were one of my favorites here and I don't know what I'm gonna do without you... We've had us some fun together, giggling & telling each other our secrets Goldie and I just want to THANK YOU for being my pal at Bel Park💜 and I'll be praying for the boys that they'll find comfort in the days to come 🙏 I love you my friend and hope to meet you on the beautiful shore....
