It hurts to know that now you're gone and never will I

see your face again. I hurt not because I am suppose to, I hurt because you mattered to me. Now, I have to live on each day without you. I feel the loss of you "Ma" down to the core of my soul because see "Ma" you mattered to me. Your touch, your smile, your funny wit, the times we spent just you and me. I will truly miss you with all my heart...
