“ To the family of Bishop, rejoice for a life well lived. He loved all of you and expressed his love to everyone of you on a daily basis. My bud, as I called him, taught me a lot over the years. Memories that I will always cherish and hold dear to my heart. He was a man you could call friend and he truly was friendly. I will love and miss you always. Keep you heads up family and remember the legacy of a good father, brother, uncle, cousin and friend.
