When Tomorrow Starts Without Me

When tomorrow starts without me and I'm not here to see

If the sun should rise and find your eyes all filled with tears for me

I wish you wouldn't cry the way you did today

While thinking of the many things we did not get to say

I know how much you love me as much as I love you

Each time that you think of me I know you will miss me too

When tomorrow starts without me please try to understand

that an angel came and called my name and took me by the hand
The angel said my place was ready in heaven far above and That I would
have to leave behind all those I Dearly Love
But When I walked through Heaven's Gates I felt so much at home
When GOD looked down and smiled at me from his golden throne
He said This Is Eternity and All I promised you
Today for life on earth is done but Here it starts a new
I promise no tomorrow for today will always last
And Since each day's the exact same way there is no longing for the past
So When Tomorrow starts without me do not think we're apart
For every time you think of me remember I'm right here in your heart
