

## Lonna Renee Gregory Moorman

November 8, 1970 - May 6, 2008

Lonna Renee Gregory was born in New Jersey to Alonzo and Flora Gregory. As a young girl Lonna enjoyed music and played clarinet in middle school. Then she went on to high school where she joined the marching band and played the saxophone. She also was in the gifted and talented school, which led her to be a member in the DECA program. Lonna graduated New Jersey public schools and also obtained her Medical Assistant Certificate from Berdane Institute. At 18, Lonna moved to Richmond, VA and this became her home. While here she met her husband, Walter E. Moorman and from this union they had two children Dereq and Renee Moorman. While here in Richmond she obtained her associates degree in Business Accounting and later was given her honorary Bachelors of Accounting from University of Phoenix. She was able to obtain this while still being a full time Mom and maintaining a 3.7. GPA. Lonna was always a loving, kind person with a bubbly personality. Her personality landed her a great position with MCV Physicians as a System Support Specialist and she worked there for 10 years. She will truly be missed by all of us and we know she will always have a place in our hearts. Lonna leaves to cherish her memory two children Dereq Alonzo and Renee Lynn; parents Alonzo and Flora Gregory; one sister Marlowe Gregory; one devoted nephew Chris Gregory; one devoted niece Kyla Gregory; two devoted friends Gleen and Valerie Thomas; a host of nieces, nephews, cousins and friends.

“ Lonna and I went back as far as Franklin School playing kickball in Mr. Mortons first grade gym class. I knew her from first through 12th grade. I just found out about her death last week and I can see her beautiful smile so vividly in my thoughts. I have not seen Lonna since high school, but I consider her my friend. I miss my friend. God bless all the relatives and loved ones.###imported-begin###Zakiy aka Harold thompson###imported-end###

“ Dear family, please accept my sincere sympathy. I feel so sorry for the kids, because it's so hard for children to deal with the pain of losing their mom. I know, because I went through it myself. That was many years ago, but over the years I've learned so many comforting things from the bible, and the wonderful things God has in store for those who love him. He never wanted this sorrow for us, and he purposes to do away with all sickness, tragedy, and death in the very near future. Why do I say near? Because the bible indicates we are living in the last days of this sad world, and very soon wickedness will end, and all the graves will be emptied of their dead. Imagine what that means. All people whose family circle was broken, will be reunited with their loved ones in eternal happiness. Isaiah 33:24, and 25,8 promises that at that time no resident will say, "I am sick, and 25,8 says that Jehovah God will swallow up death forever, and certainly wipe the tears from all faces. What a glorious time that will be. So keep enduring, keep trusting in Jehovah, because his word never fails, study the bible; because it has all the answers, and exercise faith in Christ Jesus. John 17:3, and John 3:16. Please e-mail me if you would like to know more about God's wonderful promises, and please read Rev 21:3-5, and John 5:26-29 which are very comforting scriptures. Take care!##imported-begin##R Johnson##imported-end##

“ To the family of Ms. Lonna, I offer my sincere sympathy. It truly is unfortunate that we experience the sorrow associated with the loss of one we love. Rest assured that God purposed for us to live a long eternal life and his purpose has not changed. Jehovah offers the resurrection hope (Acts 24:15) for those who have fallen asleep in death and the hope of life everlasting (Rev 21:3,4) for those who exercise faith (John 3:16). May this provide you with comfort now and in the days to come. Please contact me if you would like to discuss this wonderful promise.##imported-begin##Gwen Winston##imported-end##

“ I had the pleasure of meeting Lonna through Alita, as well. Words cannot express how I feel right now, but I pray that we are all able to lean on God to help us during this time of disbelief, pain, anger, and sorrow. Remember the good times and know that God is in control. I remember the last time I saw you and met your sister at KJ's birthday party. As always, you were loving, caring, and funny. We will all miss you. Rest assured that I will take care of Lita for you.##imported-begin##Monique Harris##imported-end##

“ I have your voice in my head, I can hear it so clear. The way you called me one name when you had something important to tell me versus the way you called me a different name when you had something funny to say. Lonna you were my big sister, my helper, my leader. I know you will still guide me from heaven when I have questions about my house and especially money. I remember our last 2 conversations which both took place on May 5, 2008 word for word. I will miss our 3 hour phone calls during the day and our lunch dates every other week. I know you are looking down on us and you are just as happy and joyful as you have ever been since being up there. I write this with tears streaming down my face as I think about your two reasons for doing anything in life, your children. I know you already know but they will be well taken care of by a lot of us. I have talked to you since you have physically left us so you know how much I miss you and love you. I am going to end this now girl but all i have to say is this is the picture you were so proud of evident by you e mailing it to me etc so now baby it is up for "eerbody" (as we sometimes said to each other) to see. Lonna, I love you I love you I love you! Love always Le.....##imported-begin##Alita##imported-end##

“ To the family, please accept my condolences. It is so unfortunate to lose someone in death. But may you be comforted with the resurrection hope. Jesus demonstrated this at John 11:38-44 with his friend Lazarus. (Please take the time to read.) Almighty God also promises to remove our enemy death in the near future, according to 1Cor 15:26. May these scriptures help to comfort and strengthen you as we look forward to better conditions.##imported-begin##Mrs. Howard##imported-end##

“ Still today, almost a week later, this seems so surreal. Lonna's family ~ some of you I just met and others whom I never had the opportunity to meet, we can all rest easy knowing you are there to finish raising Dereq and Renee to be as wonderful as their mother. Lonna was blessed to have you all, as through the years I have heard so many wonderful stories about many of you. Lonna, I have to echo some of Wanda's words as we shared many great times together with lots of laughs and a few tears too. I will always remember you as my friend and your loving and giving spirit. I know the lord will hold you close and you can rest easy knowing your beautiful children will be well taken care of by your wonderful family and friends you treated like family. You will always be missed, Staci, Alex and Andrew###imported-begin##Staci Dougherty###imported-end##

“ To Lonna's family-I didn't get the chance to meet you but I have heard wonderful stories about all of you. Take care of those 2 wonderful children that Lonna loved so dear. I am sure they will turn out to be wonderful just like Lonna. Lonna-girl we had some fun times at work, there was always interesting gossip and drama happening which made us laugh all of the time. However I must say the best of our times were you and I going to lunch everyday and riding in my redneck truck! It is a very sad and shocking time for all of your family and friends but that is ok we will make it through these trying times with the great memories you left us. Bless you and we will always remember the sweet person that you are! Love, Wanda, Ray, Savannah & Timmy- along with The West Family & Momma Maybush###imported-begin##Wanda West###imported-end##
