He's been more than a brother to me for 45 years. Me and his other Brother Herman existed as a tight family unit who always had each other's back. True friend with unqualified love and affection. I am slowly going through the stages of grief and can't past denial. I am sure the ceremony with help me get on with the grieving because I truly loved Lon more than a brother. You will forever be in my heart and my thoughts. I love you Brother and will miss you
