“ *Please accept my condolences for your loss. I know your hearts are hurting, because truly death is the most devastating experience of our lives. But know that others care, and our heavenly father cares deeply about the pain you are going through. That is why it is his purpose to end all sickness and death in the very near future. Isaiah 25\8 tells us that he will swallow up death forever. Then your loved one will come to life again in the resurrection as brought out at John 5:28,29 and Acts 24:15. May the hope of one day being reunited with your loved one again help you to endure his loss, and may your cherished memories of happier days with him help you to cope.##imported-begin##R Johnson##imported-end##*
