“ HI NANNY I am 22 and I'll be 23 in November. I graduated from college in May and it's pretty cool honestly you should've seen how excited Dad was to see me and so loud and I cross the stage. I'm actually back in school getting a second-degree in criminal justice, I want to help people so they don't have to go through the things you've had to go through growing up. That's doing good I can tell sometimes he really misses you guys though. Talking about you guys and telling stories you can really see it. I think you'd be proud of them pretty proud of all of us, especially Justin. He really turned his life around really good. I'm super proud of him although I can never tell him not to ship face. Send it he has a girlfriend now her name is Clare the nice I got a full-time job I work in HR at a computer company. It's pretty nice Evans pretty nice to me there and I think I'm doing well. I just finished my first 30 days pretty exciting since it's Mathis first big girl job. I miss you. I wish you could see everything that I'm doing in life I know you're still watching it but I wish I could see you seeing me do things, I hope you're having fun nanny and that you're happy. I love you.

“ Hi Nanny!! I'm also 21 now and I'm about to start my junior year in a week! I'm very excited but I'm very nervous as well. I have a boyfriend I met on campus his name is Sam and he's really sweet. My mom is also getting married in July, to a pretty great guy named Jason. Thank you for always being there. I have always been curious about the after life, but there are no doubts in my life anymore. You and Pop Pop saved Justin you guys and everyone else watching over us. You saved my big brother and I'm so so grateful for that. He means so much to me and I hope to never have to know a world without him. I wish you could be here for all the things I'm doing. I'm still studying to be a lawyer and I'm still on the tennis team at school. Don't worry about us down here Nanny I got things handled , we'll mostly I'm doing my best. I can't wait to see you again and give you the biggest hug, until we meet again ❤️

“ Hi Nanny!!!! I miss you so much. I have a 4.2 gpa in school now. Dad always tells me hard you and Pop pop had to work and what you had to do. Although we didn't face the same problems, I think you would be proud of me. I'm going to be a lawyer so I can defend the little guys. You taught me to be humble and to never forget where I came from. I won't I'll teach my kids the same as well. I hope you and Pop-Pop are smiling down on us! I love you Nanny 🥰 !

“ Hello Crosby's! May the knowing that others care help ease the pain of losing Ms. Lorean. Death is our enemy and will very soon be done away with. The bible tells us that at Isa. 25:8 how it will be swallowed up forever and no more tears of unhappiness will be. I have met the Crosby's, they were very friendly folks and loving too. May you all take comfort in the many promises of our heavenly Father. I send our condolences, The Crosby's. ##imported-begin## lillian crosby ##imported-end##

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that bring tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son has been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future. ##imported-begin## Carter ##imported-end##

“ I would like to extend my sympathy to your family on the recent death of Mrs. Crosby. We can be comforted by the promise of God that one day we will see our loved ones again in the promised resurrection. John 5:28,29 says, "Do not marvel at this, because the hour is coming when all those in the memorial tombs will hear his voice and come out". So please have hope in the marvelous promises of God because they will all come true. May you have peace. ##imported-begin## R Johnaon ##imported-end##
