“ *I was friends with Lorissa when she lived in WA. Her son and my son were good friends since little boys. We lost touch a few years after they moved to the East coast. I was searching the internet for Avery because my son is getting married and I came across this obituary page. I am sad to find this news of her passing. Loressa was a very beautiful soul and as mothers we shared a lot of deep heart conversations about our kids. I hope some family will see this. We would love to get in touch with Avery, we last saw him when he came to WA around 2008 or 2009 and we would keep touch through social media but lost contact a few years ago. My email is j asminerose@gmail.com if you have a way we can reach Avery. Loressa my friend, I will always remember you for your loving heart and our many laughs and tears we shared as mothers and friends. I will keep searching for Avery and keep him in prayer continually. Much love always my friend, R.I.P.*
