“ *First, I would like to relay my condolences to the family, friends etc... during this time of bereavement. Although death is never easily accepted, we know that there are 2 certainties as we all are born alone we also will die alone. Although both of these stages are on the opposite sides of the spectrum of life rest assuredly that Our Father reigns during both of these greatest events of life. Our King of Kings has welcomed and embraced our loved one and she is safe. I became acquainted with Ms. Breese at Paul Laurence Dunbar High School where she served as Vice President. I remember her as being a no nonsense tomfoolery but she also could give you a hug, give advice and go the extra mile to assist or support you & follow up with you to make sure your needs were met. Although she showed that softer side she also could be stern to ensure that you remain focused scholastically. Ms. Breese was dedicated to her craft and work ethic, professional, resourceful, counselor and a mentor to name a few. It's been a pleasure in being fortunate enough to have been influenced and mentored as I/we were transitioning from being an adolescent to pre adulthood.*

Thank you Ms Breese from the class of 1990 til we meet again.
