“ Still pretty shocked that you're gone grandma. You were always in my life. I've never had anyone this close to me pass away so im dealing with it with great difficulty. Ill always remember our times together. I thank you for being such a wonderful grandmother, and making the greatest mom in the world for me. I will never forget your smile, your voice, your fragrance, your cards, or your heart. I'm so glad you are home with mama and daddy. Everytime I pray, I will talk to you as well as our Lord. You were always our angel. I miss you so much. Dyone, Josiah, and Jeremiah miss you just as much. Josiah was so hurt that you're gone, but on his own, he realized that you will always be with him in his heart. The two most things that I am thankful for from you is your love, and teaching me to have a relationship with God. I will always love you and will continue to strive to make you and my mom proud. P.S ((I wonder if God will let you have your old phone number back)) 675-7619

“ *Lorraine worked at Johns Hopkins when my little sister, Joanna, was sick with cancer. She was a great comfort to our family & always brought a smile to Joanna's face. Lorraine cared deeply for my entire family during and after my sister's battle with cancer. She encouraged us with cards and always remembered our birthdays and anniversaries!*

She was a difference maker...a life well lived! God sent her to my family in a time of deep testing. I will miss her prayers, encouragement and spiritual support. Until we meet again Lorraine- thank you for your great example!
