May 2, 1918 - June 5, 2007

The late Washington and Fannie Hicks were joyous on May 2, 1918 in Charles Hope, Virginia when Lossie was born into their family. Lossie, affectionately called Bea, was one of twelve brothers and sisters and was the last of them to leave this earthly home. She was educated in Merchant, Virginia and only completed the sixth grade because she was needed at home to help with the farm and chores. In 1934, after knowing him for five years, Lossie married the late John A. Walker. From this union they had five children, Eugene, Fannie, George, Doris and Allen. All but Doris preceded her in death. After several years of marriage, Lossie moved to Baltimore where she did domestic work before being hired by Johns Hopkins Hospital. She worked in the GOR Cafeteria for 30 years when she retired in the early 80's. She was one of the very few that left Hopkins with a "gold" card that entitled her free outpatient care for life. Outside her life at work and her children, Lossie enjoyed traveling to Virginia to visit her late sister Maude Jones and she especially got pleasure in working with her flowers and gardening. For several years, Lossie was a member of Faith Baptist Church before her health did not allow her to attend anymore. Lossie was known by many through her children, grandchildren, and great grandchildren. Her family was a five-generation family. She will be missed by all who had the pleasure to know her. She leaves to celebrate her life one daughter, Doris Vaughn; one devoted son-in-law, Wilbert Cherry, Sr.; nine grandchildren, Dennis Walker, Vanessa Wagner-Jeter, Wilbert Cherry, Jr., Wentress Walker, John LeRoy Walker, George

“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*

“ Please accept my heartfelt condolences for your loss. I would like to share a comforting message with you from the bible. God promises that one day the earth will be a beautiful paradise where there will be no more sickness or death, Isaiah 33:24 says at that time, "No resident will say, "I am sick." Then Isaiah 25:8 promises that Jehovah God will swallow up death forever." Then the hope for those who have already died is a resurrection from the dead, according to Acts 24:15, and John 5:28,29. May those scriptures bring comfort to your hearts, and the strength to cope with your loss.##imported-begin##R Johnson##imported-end##
