

Louis Russell Greene

October 13, 1938 - April 14, 2018

Louis Russell Greene, born October 13, 1939, to the late Catherine Mae Greene and Louis Tyler, departed this life quietly in his sleep on Saturday, April 14, 2018.

Louis was educated in the Baltimore City Public School system and eventually pursued the field of dental technology. After working for a number of years in his field at other dental laboratories, his zeal for entrepreneurship led him to open Greene's Dental Laboratory on Park Heights Avenue, which was one of the first few Black-owned dental laboratories in Baltimore. Louis owned his dental laboratory for many years and took special pleasure in using his dental knowledge and skill in serving the community. Louis used his laboratory as a mentoring environment to introduce young people to dental technology and pass on his knowledge and wisdom about the industry and about life.

When not working, Louis spent time socializing with friends and spending time with family. Among his interests and hobbies was his special project, restoring his 1979 Ford Thunderbird. Louis was an engaging person and conversations with him left you feeling educated, empowered and challenged to reach your full potential.

Louis was preceded in death by his parents, Louis Tyler and Catherine Mae Greene, (daughter) Pamela, (grandsons) Brandon and Mikey, (sisters)

Catherine and Janeen.

Louis leaves to mourn (daughter) Donna, (son-in-law) Earl, (son) Ian, (daughter-in-law) Angela, (son-in-law) Grayland, (grandchildren) Tony, Antoine, Brittany, Paris, Julian, Sharra, Ian and Christian, (brother) Darryl and a host of nieces, nephews and other extended family and friends.
