“ *I keep thinking about you even though it pains me to know i can never see you again, or to pick up the phone to tell you how much i love you, I'd give anything to relive those memories again, I never knew that being fatherless would make me feel so aimless, worthless, powerless, heartless and helpless. I need you so bad DaDa, It hurts to think that you are not here anymore. Although I can't help but smile with tears in my eyes to think of how we cherished each and every moment of our lives together when you were alive and As I grow older, no matter whose love gives me happiness – I will always be my daddy's little girl. I have stopped looking at the sky in the night, because destiny has taken away my life's brightest star. You were everything to me, My soul aches emptiness inside, Untill we meet again"*
