“ I send my heartfelt condolences for the loss of Mr Martin. The death of a loved one is so hard to come to terms with, and it is something that we never get used to. Jehovah God never intended this sorrow for us, and he has a purpose to end sickness and death forever. Isaiah 33:24 tells us that one day no resident will say, "I am sick. Then 1st Cor 15:26 promises: "As the last enemy, death will be brought to nothing." Jehovah hates death, and he wants all to attain to everlasting life. That is why the bible says that death will be thrown into the lake of fire; a symbol of everlasting destruction. Also the graveyards will be thrown into the lake of fire; thus death and the graveyards will not be around anymore to bring sadness to our hearts. Rev 20:14. One day in the new world that God is creating, there will be no need for wheelchairs, canes, eyeglasses, medicine, nurses, doctors, hospitals, or funeral parlors; because God will wipe away all pain. 2nd Peter 3:13 says, "but there are new heavens and a new earth in which we are awaiting, and in these righteousness is to dwell." Isaiah 45:18 says that God did not create this earth simply for nothing; but created it even to be inhabited. One day Jehovah will even erase the memories of this painful world from our minds and hearts, because he promises, "For here I am creating new heavens and a new earth and the former things will not be called to mind; neither will they come up into the heart." Isaiah 65:17 May you be strengthened and comforted by this wonderful hope; which will soon become a reality.##imported-begin##R Johnson##imported-end##
