“ Louise Linton was my Great Aunt ( my mother's aunt) She was a strong woman who had lots of love in her heart. Her greatest love was her daughter Marcia but she opened her door and heart to many others. There are so many lives that were touched by, as we affectionately called her, Mama Louise. Opportunities and dreams were made possible because of her whether it was family or friends. She was a hard worker and that was shown in all that she did. She could be stern but her infectious laugh warmed your heart. We will all carry our memories of her because she has been in so many of our lives and hearts.

“ I am thankful for the room in your home when I started on my journey as a college student and being a grown-up. It is truly amazing to know that this life gives us people along the way to help us when we need it and years later, that help is remembered. It has been many years and the gratitude and appreciation for you opening up your home to me are still there. Ms. Linton, you have done your best, Rest in Eternal Peace. Ann Marie
