“ I remember how loving and patient my big cousin was with me as a child. You played with me, talked to me and I remember when you took me to the Garrison bowling alley and taught me how to bowl. I always looked forward to spending time with you and laughing together. I love you and will miss you.

Your little cousin,  
Brenda

*Mama, you were the best mother I could ever ask for. I will miss and always love you my darling mother. You knew that you could always count on me because I had your back when others did not. You told me that I'm a good daughter, you're doing the best you can and don't worry because everything will be alright!!! You had a way of easing my mind and will be grateful for that. I was truly blessed that God gave me you and the endless time spend together. Until we meet again, I will always love you. From, you loving daughter Anissa 🥺*
