“ *SIP-Queen I was so blessed to have this lady in my life. Everyday as soon as I got to work, she would say..."You good Ms. D?" On days when I wasn't she'd give me a pep talk and a hug. She was SO SO real about advice. She got me straight many a day. I will always treasure the love she gave me and the many, many life lessons. My sincerest condolences to the Hendrick Family. Wishing you all love and light ...Always!*

“ Miss Hendrick was one of the first people I met when I started kindergarten at Chimborazo back in 1986. She was kind, understanding, and comforting. I loved coming to the office just to see her and she always made my day better. She made a wonderful impression on so many students. She will be missed.

Ms. Hendrick was one of a kind! She was such an inspiration at Chimborazo Elementary School. She was always there early in the morning until late at night! She loved everyone the students, teachers, and staff! She would always greet you in the morning with a big hug and have a smile on her face. She loved people and she was such a sweet, thoughtful, loving, caring person. Ms. Hendrick you will truly be missed by all of us!
