“ i'm so sorry to here about the passing of a very near and dear old friend and co-worker of mine we worked together for at least seven years together from the Inner Harbor to Bowlers lane for DPW . i was looking for her for a very long time just to come and visit and hang out you know just to catch up on our past and share our present life experiences .I have many found memories of us girls hanging out working together and justso much history she was one of my best friends i'm very shocked and upset over her passing but i know that whatever she was going through she is doing so much better now God has taken another angel to heaven she is definitely pain free,worry free and debut freei will always cherish our memories in my heart forever may God ease the pain of the family and i'm praying for you. please let me know if I can help you in any way you can find me on facebook some of you might remember me my name is Helen Cain God Bless And Keep you.
