

Louise Thomas

September 4, 1925 - July 6, 2002

Sister Louise Thomas, daughter of the late Willis and Lona Powell, was born on September 4, 1925 in Alberta, Virginia. She peacefully departed this life on July 6, 2002. She received her education at W.B. Wicker School in Sanford, North Carolina, she received recognition for participation in the Baltimore City Community College Continuing Education Program on June 8, 1993, she received a certificate in home nursing from the American Red Cross and attended Auto Mechanic classes at Dunbar High School. She married Henry L. Thomas on August 24, 1946, and out of this union seven children were born- Laura Mae, Willie Mae, Sherman (deceased), Henry III (deceased), Aaron, Denise and Antonio. The family moved to Baltimore, Maryland in 1953 and joined the Supreme Council of The House of Jacob of the U.S.A., Inc. in 1958. Sister Louise loved the Church and was always happy when the Daughters Of God would meet at her house. She attended the Brooks Cosmetology School in the early 1960's and was the primary hairdresser for many of the sisters in the church. Sister Louise loved to cook and would always smile with pride when anyone complimented her on how her fried chicken tasted. She leaves to cherish her memory: two sons, Aaron and Antonio; three daughters, Laura Stieglitz, Eldress Willie Mae McCrae and Denise Ward; three sons-in-law and three daughters-in-law, thirteen grandchildren, two grandsons-in-law, eleven great-grandchildren, a host of brothers and sisters in Christ, friends and neighbors.

“ *Best grandma ever! ...even if I never realized it back then.*

I didn't want to visit you all the time because there were lots of problems in my immediate family. I somehow sensed that at a very young age, even though I had no idea what was actually going on. I felt like my dad never cared about me and that my mom needed me there with her. As I got older, I started to like going over to your home cause I always knew you loved me and we always had fun just watching TV, going for walks to the community garden or store, cooking, playing checkers... I feel bad that I always complained or cried like a baby to my parents, so I wouldn't get dropped off. I just wish we could have had more time together! I miss you so much and think of you from time to time! I had a remote viewer tell me that you watch over me and I have also seen you once in my dream behind me (like you were guiding me). RIP Grandma! You were one of the good ones in our family!

I'm sure my grandma would be turning in her grave to know you, Denise and your husband Reginald have not been in contact with anyone about the inherited land. Or how about yall was supposed to "check" on the land but went down there and sold lots of timber and didn't tell anyone else. There's a warrant for yall arrest in NC. Why are you hiding? I'm asserting you make this right or we will legally come after you!!

“ My Grandmother prayed for me, had me on her mind, she took the time to pray for me. Grandma how can I pay tribute to such a Great Mother, Friend, Confidant, Teacher, Hairdresser, Cook and Disciplinarian. You taught me so much about being prepared for life. Your teaching and upbringing gave me more than any words could ever explain. I love you Grandma.##imported-begin##Christeen Ghany##imported-end##
